Paint	\$5,000
A/C	\$30,000
<b>CWB Total</b>	<b>\$105,000</b>

**GRAND TOTAL \$599,000**

### "The Face of the Santa Fe Independent School District"

The goal is to not only beautify the historic buildings, but to make them functional for both parents & school children to use and enjoy for the next 100 years.

#### Goals are as follows:

1. Place a brick and mortar sign between the "Old Gym" and the "Old School Museum".
2. Make necessary extensive repairs to the museum roof which requires removing original tiles, replacing damaged structure boards, repairing damaged cupolas, and re-installing the original tiles in order to prevent further building damage.
3. Add additional piers beneath the museum building for foundation support.
4. Replace the doors on front and sides of the Old School Museum as close to the original doors as possible and make them usable.
5. Replace the arch and regular windows with window facades that look like the original windows.
6. Paint eaves, foundation and existing windows. Repair damaged fascia boards.
7. Rework some of the interior walls in order to facilitate making the front entry doors usable again and restore original classroom configuration.
8. Refurbish the historic 1940's WWII era Camp Wallace Building (CWB) located behind the Old School Museum to house military and former Camp Wallace memorabilia.
9. Remodel & paint the CAP Bldg (formerly used for science and history classes) for future dinosaur, solar system and space displays.
10. Paint and remodel Old Gym Annex Building to house a sports Hall of Fame and memorabilia.

**SANTA FE HAS A TREASURE  
THAT NEEDS PRESERVING FOR  
FUTURE GENERATIONS**

*♪♪ Santa Fe Will Live Forever...♪♪*

Donations of any amount will be accepted and appreciated. When the project is complete your name will be recorded and proudly displayed. Donors of \$1,000 or more will be displayed together on a bronze plaque. **ONLY WITH YOUR HELP & SUPPORT CAN WE MAKE THIS HAPPEN**
